## THIS SUNDAY'S REFLECTION

**EPIPHANY OF THE LORD.** I'VE OFTEN PONDERED whether the wise men were surprised by what they found at the end of their journey. They had left behind homes and safety and comfort, spending months following the star: And for what? To finally meet a king living in a magnificent palace? Not even close. Instead, they found a child lying helpless in his mother's arms, living in the humblest of dwellings. Yet somehow the magi were able to see beneath the child's poverty and vulnerability to recognize the one whom they had sought. It makes me wonder how many times God comes to us in ways that may at first seem unexpected or even contradictory. While I certainly expected to feel God's presence in the birth of my child, I had no idea that I would sense that same presence when I sat with my mother as she took her final breaths. The feast of the Epiphany challenges us to be seekers, as the wise men were seekers, to search for God's presence wherever and whenever God chooses to reveal himself. When we discover one way God is present to us, wonderful! But we need to keep looking, always and everywhere for other ways, too. Today we journey forth into the New Year with the magi as our guides, always searching for God's presence in the unexpected.

## PRAY FOR ALL THE SICK & ELDERLY

### EPIPHANY

The light of the star filled them with joy, and going into the house, they found the Child with Mary, His mother, and falling to their knees, they paid Him homage. Then, opening their treasures, they offered Him gifts of gold, frankincense and myrrh. (Mt 2:11-12)

Almighty, ever-living God, You made known the incarnation of Your Word by the witness of a blazing star, at sight of which the Magi whispered Your majesty and offered gifts. Grant that the star of Your justice may shine forever in our souls, and that we may find our treasure in offering You Praise.  
Amen
