He is Risen. I have the joy of announcing to you this message which is at the heart of the Easter feast. And I would love that this joy, this message of hope, reach every family, every home, especially wherever there is more suffering; in the hospitals and in the prisons. I would love this Good news to reach every heart, especially those battered by the loss of their loved ones, by violence, by misunderstanding and by misery. Beyond the chocolates and the eggs, Easter is first and foremost the feast of the risen Christ, the feast of Life, the feast of Love that triumphs over hatred and death. In 2014, let us receive this Life in us. Let us allow this LOVE, this vital force of the risen Christ, to do something new in us. Let us be transformed in order to deal away with our desert of indifference and egoism. Let Easter be the occasion to allow this LIFE to shine out, by committing to do something extra, by, as Pope Francis says "taking care of the other, with love, especially children, the aged, the weak, and those who are often at the margin of our attention". May Easter, spring of God, be also for us, the occasion to take care and to be keepers of all creatures and the environment in which we live. May our faith in the risen Christ be contagious, and may it propagate the beautiful scent of the resurrection, the scent of the spring of God. To all, wishing you a joyous Easter, Love, Peace and Life of the Risen. (translated from French version)</p> <p align="right"><i>Bishop Noel Simard            Bishop of Valleyfield</i></p>

**Resurrection of the Lord**

Christian churches around the world resound today with loud and cheerful alleluias to proclaim the greatest good news ever told in human history: Christ has risen from the dead! What makes our joy still greater is that, as Saint Paul puts it, we are 'raised with Christ.' His resurrection opens up forever the future of humankind and of creation. Both our present and our future shine from the radiant light of Christ's victory over death. Such radiant light first illuminated the woman who went to Jesus' tomb after the Sabbath and saw that the stone had been rolled away. At that very tomb, Mary Magdalene had an encounter with the Risen Lord. On the same day, the apostles were blessed when Jesus appeared to them, comforting them with the gift of peace and commissioning them to proclaim to the world the good news of his resurrection. As we celebrate this Eucharist, the Risen Lord is in our midst and the paschal candle lit on this very day stands as a reminder of how the resurrection of Christ enlightens every moment and every aspect of our lives. Like Mary Magdalene and the apostles, we, too, are commissioned to share the light, the peace and the joy that the resurrection of Christ has brought to our own lives. Let us sing—and bring other people to sing along with us—heartfelt and heart-filling alleluias!

PRAY FOR ALL THE SICK & ELDERLY	Announcements/Notices
<p><b>Any season of the year is nearly Easter, Spring is a permanent word of hope. It always comes. It cannot be halted. No matter how long or fierce the winter, Spring forces its way through the tons of ice and snow. Creation never dies nor does Christ, nor do we. After all the savage cold and shattering wind, the earth grows green with hope and flowers so fragile they could not be touched, force their way through the darkness of the earth to the morning sun. No Matter how horrible the death, how unbearable the pain, or absolute the rejection, Despite the tons of stone and dirt against the tomb, Easter happens and life grows green as all the forces of death are exhausted.</b></p> <p><b>MAY CHRIST EASTER IN US THIS APRIL 2014!</b></p> <p><b>"Christ having been raised from the dead, will never die again. Death no longer has any power over Him. When He died, He died once and for all, to sin, and the life He lives now, He lives with God."
